ALUNA PAJE

Boutique Hotel

&

Restaurant

Inspired by the sea breeze, the colours of Paje and the fresh flavours growing around us.

Welcome to Aluna

From the first sip to the last toast, our drinks are made to be enjoyed slowly.

Inspired by the colours, flavours and laid-back spirit of Zanzibar, our bar brings together fresh local ingredients, tropical fruits, classic favourites and creative cocktails. From a refreshing juice in the morning to a cold beer by the pool, or a cocktail as the sun sets over Paje, there's always a good reason to raise a glass.

We love keeping things local whenever we can, using the flavours of Zanzibar to create drinks that feel as relaxed and vibrant as the island itself.

So take your time, find your favourite spot, and let the evening unfold.

Sip slowly. Stay awhile. Enjoy Aluna.

And when the sun starts to set, ask our team about our Happy Hour and cocktail specials — because in Zanzibar, there's always time for one more.
